Revised Date Due To Scheduling Conflict.

Kendale Lakes Elementary students will be learning about various careers in the “World of Work” during the month of March. Among the activities our school sponsors is a “Career Day Showcase”.

We cordially invite you to participate as one of our speakers on **Tuesday, March 17, 2020** from 8:45 a.m. to noon. Our students need role models, people like you, who do productive, satisfying work. Lunch will be served immediately following your presentations.

Some suggestions for your class discussion include: clothing, tools, and equipment required, work tasks performed, your schedule, location of work, your work environment, including your contacts with others, any dangers and/or rewards associated with your job, the training required for the job as well as the importance of education as it relates to your job.

If you are able to participate, please complete the information requested below, and return it to your child’s teacher. You may also fax this form to Ivett Ceballos (counselor) at (305) 386-2718.

If you have any questions call Ms. Ceballos at (305) 385-2575.
