

Art

Kristi Atkison

Email address- KAtkison@dadeschools.net

Lessons for distance learning found in Microsoft TEAMS through student portal

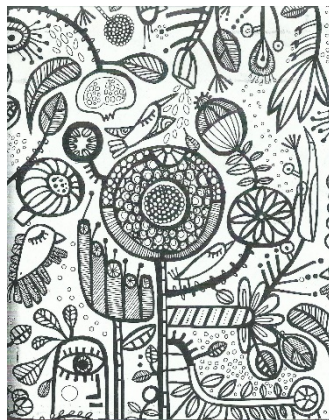

Communication with teacher- through Teams, email, and class dojo whichever is the best for the parent/student.

Submitting work- Take a picture of the art work and either post on TEAMS, email me or post in messages in class dojo (whichever is easiest for the parent/student to do)

** please note when you turn in an assignment I will always reply to the parent/student in the same method that they got a hold of me. I will let them know if I got the assignment. I will also be updating the grade book regularly and they can check to see if the grade has been posted there. If there is no grade that means that I have not received the work yet and have updated the grade.

Lessons from April2 to May 1-

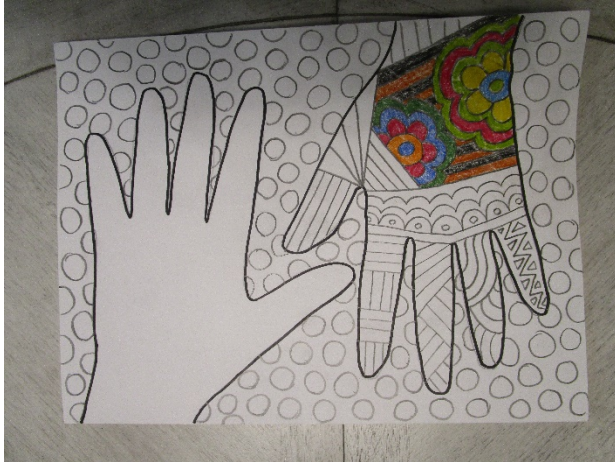

Assignment # 1- redraw- pick a picture try to copy it and color
