Suggestions for Use

This could be used throughout the year in place of traditional book reports. I often use it at the end of the year after testing. You can read more about this at my blog post:

File Folder Book Report

Book reports are a great way to celebrate an enjoyable read. Think about a book that you recently read that you really enjoyed. Make sure that you choose a book that you have enjoyed during THIS school year. Once you have chosen your book, you will make a file folder presentation that will highlight the best parts of it. Your assignment will include a book preview, the five things you like best about it, a word cloud that uses words related to the story, and your choice of something extra that represents your story in some way. Examples of extras could be a dog collar to represent a favorite character that is a dog, a pipe-cleaner sculpted sword to represent a battle, a poem about your favorite character, an original drawing of your favorite scene, or more. Be creative!

Your presentation will be shared with your classmates and hopefully convince them to read your wonderful book, too!

Creativity is encouraged! Decorate your folders and make them stand out!

File Folder Book Report

Your file folder must include the following:

- _____ The title of the book and author's name on the front cover with an illustration that represents your favorite part from the book.
- _____ An interesting book preview on the inside of the folder. Don't give away the ending, but write an interesting paragraph that will convince others that this could be the best book of their year. Think about a movie preview and how it persuades others to see the movie.
- _____ Five parts of this book you love. This can include the setting, characters that you like, a part that you really enjoyed, and more. You can present this as a list, make a collage, draw pictures, etc. Be creative with your five favorite parts!
- _____ Word cloud. Write down 10-15 words that are related to your story. Go to http://www.abcya.com/word_clouds.htm and create a word cloud. You can print this out and glue it in to your folder.
- _____ Come up with your own creative "extra" to include that represents your book in some way. It can represent any part you choose. Songs, drawings, paintings, pipe cleaner creations, and poems are just a few ideas that you might use. Write your "extra" on the line below:

- _____ Bright and decorative designs. The more creative you are, the more your folder will stand out!
- _____ Neatness counts! Make sure your handwriting is neat.
Take your time and give your best effort!
